26 Turkey Trot & Trike Fundraiser and Thanksgiving Meal

This year we are hosting our first annual Turkey Trot & Trike for SSCH Preschool! As a fundraiser for our school, students will ride tricycles or walk around a special outdoor "Turkey Track" as many times as they can.

At the end of the race, the students will celebrate Thanksgiving with a special lunch provided by the parents.

A sponsorship letter was emailed home to families, so that you can send it and a donation link along to your friends and family. Please see our website for more information (www.sschschoo.org).
